CURRICULUM

The elementary curriculum for Pre-K – 5 is based on the TEKS mandated by the Texas State Board of Education. Curriculum areas are integrated to prevent segmented study and provide more meaningful learning. Different learning styles are met through varied teaching strategies.

Many informational resources are utilized to meet the curriculum objectives. Resources include, but are not limited to, the following: speakers, field trips, library, novels/reference books, computer programs and state adopted text books.

Physical Education is a regular part of our curriculum. All students are expected to participate in our Physical Education program unless the teacher receives a signed statement from the doctor or parent. A doctor's note must be sent if the student is to miss more than three consecutive classes.

DRESS AND GROOMING

The district's dress code is established to teach grooming and hygiene, prevent disruption, and minimize safety hazards. Students and parents may determine a student's personal dress and grooming standards, provided that they comply with the following:

Skirts, dresses, shorts, and skorts must be at least fingertip length. (Girls are required to wear shorts under their skirts because of P.E. or similar activities.) Bike shorts or sliders must be worn under athletic shorts,

i.e: Nike, Under Armour. Shorts must be longer than shirts and/or sweaters. Shorts must have a straight edge (no cutoffs). Cheerleader's uniforms must comply with length guidelines. Midriffs, halter tops, see-through tops, low-cut tops, open-sided shirts for boys and girls, backless blouses, and tank tops that are less than 2 inches on the shoulder are not to be worn by themselves. (When arms are raised above the head, the bottom of the shirt should still meet the top of the short, skirt, or pants/jeans.) All clothing shall be so designed as to cover the chest area and underclothing. Appropriate undergarments must be worn. Sleeveless shirts must be hemmed and properly fitted. No fashion holes, rips, or tears in pants above fingertip length or shirts are allowed. No tight fitting shirts or shorts. Pants/shorts should fit at the waist or a belt should be worn. No sagging pants/shorts will be permitted.

A neat and clean appearing hairstyle is required. No extreme style or color will be allowed.

Clothing shall not display or reflect:

- Risqué, vulgar, suggestive, offensive, or violent design.
- Violent language or negative comments.
- Advertisements dealing with drugs, alcohol, or tobacco on any apparel and/or accessories.

Any kind of hat/head covering and/or forehead bands and sunglasses worn by a student shall be removed from their person when he/she enters the building. No bandanas are allowed.

Shoes with rubber, steel, or hard plastic cleats, such as those used in little league, football, baseball, etc., are NOT to be work at school. For safety purposes, NO beach/sandal flip-flops/backless shoes/shoes with removable wheels and no platform shoes over 2 inches are to be worn. Appropriate rubber-soled tennis shoes (athletic type) for P.E. are required.

Students' dress, personal grooming, and additional accessories shall not lead school officials to believe that such items, dress, or personal grooming will disrupt, interfere with, disturb, or detract from school activities. No exposed facial or body piercing other than the ear shall be allowed.

School administration shall have the right to appraise any current fashion or fad and determine its appropriateness for school wear.

Final decisions on questionable clothing will be made by the administrator in charge.

Exceptions to the rules will be made if a student is prohibited from wearing requested attire due to religious doctrine.

If the principal determines that a student's grooming or clothing violates the school's dress code, the student may be given an opportunity to correct the problem at school. If not corrected, the student will be assigned to in-school suspension for the remainder of the day, until the problem is corrected, or until a parent or designee brings an acceptable change of clothing to the school. Repeated offenses may result in more serious disciplinary action in accordance with the Student Code of Conduct.

DISMISSAL

A student will not be released from school at times other than regular dismissal hours except with the principal's permission or according to the campus sign-out procedures. We may check identification, etc. before allowing a student to leave campus. The office will call the classroom and have the teacher send the student to the office to be dismissed when an authorized person has arrived on site.

Change of Transportation - In order to change daily dismissal procedures or schedule an early release for an individual student, the request must be accompanied by a signed note or email from the parent or

guardian received by the teacher NO LATER THAN 2:00 p.m. the day of the change. This gives the teacher documentation that a parent/guardian has made the change. If the student is going home with another student, both students' parents must send notes or emails authorizing the change.

The school district has specific responsibilities under the Act, which include the responsibility to identify, evaluate, and if the child is determined to be eligible under Section 504, to afford access to appropriate educational services. If the parent or guardian disagrees with the determination made by the professional staff of the school district, he/she has a right to a hearing with an impartial hearing officer.

If there are questions, please feel free to contact the Section 504 Coordinator for the school district, at phone number 817-441-8327.

TARDY POLICY

Students are required to be at their assigned area prior to the 7:40 a.m. bell to avoid being tardy. Tardiness not only means lost instruction time for the tardy student, but it is also disruptive to the teaching and learning activities conducted in the classroom.

Tardy students must obtain a tardy slip from the office before entering class when they arrive after the 7:40 a.m. and 12:00 p.m. for the Pre-kindergarten and PPCD afternoon classes.

TEACHER PARKING LOT

The parking lot on the south end of the school is designated for staff only. For safety reasons, students must not be dropped off or picked up in this parking lot at any time by parents. Unless your child attends afternoon pre-kindergarten or PPCD morning or afternoon.

TRANSPORTATION

Drop-off and Pickup Procedures

Student drop-off and pickup procedures allow for our students to safely enter or exit the building as quickly and efficiently as possible. When dropping off your student, only the front/main entrance will be used. Please pull up to the first available color square painted on the sidewalk and have your child exit the vehicle quickly. If you must exit your car to help your child, please pull up past the colors to allow other cars to continue to pull up. A crossing guard is available to assist parents and students who park and walk up to the building for school business. All parents must check in with the office and receive a visitor's badge before accessing the building.

Students may be dismissed either by bus or by parent car pickup. Parents will not be able to walk up in the afternoon due to safety reasons. When picking up your child by car, pull forward to the first available color and stay in your car. A staff member will open the car door and help your child enter the vehicle. If you need to assist your child with buckling their seat belt, please pull up past the colors to allow other cars to continue to pull up. Bus transportation may be arranged through the transportation website at tinyurl.com/hwz23ml and call the Bus Barn at 817-441-5141 with any changes. Students need to be at their bus stop and visible to the bus driver, at least ten minutes before the stated time of pick up and up to ten minutes after.

Aledo ISD Parent Involvement Policy

2017-2018

Purpose:

Aledo ISD believes every child should have the opportunity to attain his/her full potential as an individual. Aledo ISD will maximize its resources to enable each child to become a successful learner. A key resource is its people: administrators, teachers, school staff, parents, and community members. We will work together to establish effective partnerships; together everyone achieves more. School and home must work together to realize higher student achievement. On-going, open door, meaningful communication will occur to facilitate mutual understanding and to stimulate student success. Aledo ISD will provide to all parents the grade-level goals for its students. The district will publish the state assessment testing schedule and goals. Those students who need extra assistance will have access to programs that will help them reach these goals.

Every effort will be made to include parents in the development, evaluation, and revision of the Title I program and the Parental Involvement Policy. The Parent Involvement Policy will describe the responsibilities of key stakeholders and useful channels of communication. The goal of our Parental Involvement Program is student success.

Reviewing/Revising the Policy:

On an annual basis, both at the campus and district level, the Aledo ISD Parent Involvement Policy will be reviewed and revised as necessary.

The advisory committees will convene at a time and place convenient to all its members.

Annual Meeting:

An annual meeting will be held at each Title I campus to:

- *describe the Title I program,
- *distribute the Parental Involvement Policy,
- *explain opportunities for parental participation,
- *explain that the Parental Involvement Policy will be evaluated annually and revised to meet the needs of students, school, parents, and community,
- *recruit parent volunteers to serve on the district or campus advisory committee, and
- *state the expectations for school performance, individual student assessments, and grade level curriculum.

Parents will be informed about the meeting via electronic communications, the district and campus webpage, Parent Link messages, and announcements in the newspaper.
